Name _____

What is the weather like?

by Chantal

Today it is frosty, there is a lot of snow.
I put on my gloves so my hands won't get cold.

Today it is rainy, there are so many clouds in the sky.

I put on my raincoat so my clothes stay dry.

It is rainy! Put on your raincoat!

It is windy! Do up your jacket!

It is frosty! Put on your gloves!

It is sunny! Put on your sunglasses!

Today there is a storm, so it is windy outside.

I button up my jacket before I get on my bike.

Today it is warm! The sun is shining bright!

I put on my sunglasses and go play outside!

It is rainy! Put on your raincoat!

It is windy! Do up your jacket!

It is frosty! Put on your gloves!

And it is sunny! Put on your sunglasses!

Your sunglasses... mm, mm.
